Our Dutch Cousins MISSION STATEMENT

We are descendants of the Low Dutch who settled New Amsterdam, moved to New Jersey, migrated to near Gettysburg, and made history when they later populated the frontier. Our Dutch Kentucky Cousins goal is to research, share and preserve the genealogy and history of our common Low Dutch heritage, including but not limited to, the restoration and preservation of the old Mud Meetinghouse near Harrodsburg, KY. We meet every two years to renew our love for each other. Our mission is to honor the memory of these ancestors and enjoy the friendship of cousins, both newly- discovered and long-loved.
